

## **Slurry pump bearing and Oil field bearing**

Mud pump commonly used bearings:

The 3NB 1000 mud pump contains the following bearings:

Connecting rod big end bearing Cylindrical roller bearing

GYZ Model: NFP38/630Q4

The original model of GYZ: 30228/630Q

Connecting rod small head bearing Long cylindrical roller bearing

GYZ Model Number: NAL4034M/C9

The original model of GYZ: 4104134H

Spindle Bearing Double Row Tapered Roller Bearing

GYZ Model: 352064X2

GYZ original model: 2097164

Transmission shaft bearings Spherical roller bearings

GYZ Model Number: 23140/W33

The original model of GYZ: 3003740Y
